AIRPORT IT CONFERENCE 2019
amadeus
23 - 25 OCTOBER, MUNICH

DRAFT AGENDA

Wednesday 23 October

12:00 – 13:00	Welcome cocktail – Leonardo Royal Munich Hotel	
13:00 – 13:20	Opening by the Conference hosts	*Bruno Spada, Amadeus Michael Zaddach, Munich Airport*
13:20 – 13:25	Presentation of Masters of Ceremonies	*Marie-Pascale Zahar and Eric Napoli, Amadeus*
13:30 – 14:00	Keynote 1: Technology and aviation megatrends	*Diogenis Papiomytis, Frost & Sullivan*

Stream 1: *Shaping new services to delight passengers*
Plenary sessions

14:05 – 14:25	Airline case: How [global airline name] is improving the passenger experience at the airport	*Speaker TBC*
14:30 – 15:00	**Coffee break, Technology Showcase & Networking**	
15:00 – 15:20	GH case: Freedom, flexibility and fun with off-airport check-in and bag-drop	*Andrew Bartholomew, OACIS*
15:25 – 15:45	Airport case: Results after implementation of Auto Bag Drop - benefits for passengers, airports and airlines.	*Philippe Laborie, Aéroports de Paris*
15:50 – 16:10	Amadeus' insight: Enabling scalable and agile passenger-centric operations.	*Iyad Hindiyeh, Amadeus*
16:20 – 18:20	BREAKOUT SESSIONS – 5 topics (2 rotations of 55' sessions) 1) A scalable roadmap for passenger handling. 2) Flexible passenger processing enabled by cloud computing. 3) Off- airport checking and bag drop. 4) Auto bag drop. 5) How to deploy passenger processing with facial recognition (how-to guide to implementing biometry).	
18:30	Wrap up day 1	
19:30	Dinner and show at Schubeck's theater	

amadeus

Thursday 24 October

Stream 2: Optimization of airport operations through cooperation and digitalization
Plenary sessions

09:00 – 09:10	Welcome day 2	*Masters of Ceremonies*
09:15 – 09:35	Industry insight: Improving efficiency through cooperation – Integration of airports & the ATM Network	*Hans Koolen, Eurocontrol*
09:40 – 10:00	GH case: Data, connected platforms and mobility as key enabler to drive ground handling operational efficiencies	*Albert Pozo, SATS*
10:05 – 10:25	Airport case: Moving ahead on our transformation journey	*Gökmen Aritay, Pristina Airport*
10:30 – 11:15	Coffee break, technology showcase and networking	
11:15 – 11:35	Airport case: Running all core airport operations in the cloud	*Teymur Gasanov, Baku Airport*
11:40 – 12:00	Amadeus' insight: Roadmap and vision of airport management solutions.	*Holger Mattig, Amadeus*
12:00 - 13:00	Lunch, technology showcase and networking	
13:00 – 15:00	BREAKOUT SESSIONS – 5 topics (2 x 55' sessions) 1) Disruption management. 2) Applications of AI and machine learning. 3) Market options for baggage tracking and reconciliation. 4) The ramp of the future. 5) Digital twin: from 'airfield view' to 'holistic view of the airport' (driven by Munich Airport).	
15:00 – 15:30	Coffee break, Technology Showcase & Networking	

Stream 3: Innovation to embrace new aviation scenarios
Plenary sessions

15:30 – 16:00	Keynote 1: Applications of 5G for the airport ecosystem.	*Fotis Karonis, BT Enterprise*
16:05 – 16:25	Airport case: Eco-innovation in the air and on the ground: electric planes and other green-tech initiatives from an operator with 45 airports	*Brede Nielsen, Avinor Group*
16:30 – 16:50	Airport case: Dallas Love Field shaping the airport of the future.	*Mark Duebner, Dallas Love Field Airport*
16:55 – 17:15	Keynote 2: Innovation in your radar with new developments and enriched data from aircraft	*Philip Plantholt, Flightradar24*
17:20 – 18:00	Innovation @ Amadeus: taking the passenger experience to the next level.	*Marion Mesnage, Amadeus + partner companies*
18:00 – 18:10	Wrap up	
19:30	Bavarian dinner and party at Löwenbräukeller	

amadeus

Stream 4: Cybersecurity
Sessions to take place at Munich Airport's Information Security Hub
Agenda driven by Munich Airport

Time	Session	Speaker
10:00 – 10:15	What's Munich Airport's Information Security Hub? Objectives, activities and achievements.	*Marc Lindike, Munich Airport*
10:15 - 10:30	Security at Amadeus	*Tomas Wepner, Amadeus*
10:30 – 10:55	Keynote 1: Security awareness challenges	*Frank von Stetten, HvS Consulting*
10:55 – 11:30	Break	
11:30 – 12:00	ISH tour	*Munich Airport*
12:00 – 13:00	Knowledge sharing sessions	*Munich Airport*
13:00 – 14:00	Finger lunch	
14:00	End of conference and transfers to the airport terminals for departures.
