

Onze exposerende partners

- CNC Solutions : Robot programming for all types of trajectories (milling, polishing, sandblasting, painting, cutting).
- Cognex: Machine vision
- Conway / Asyri: Experts in flexible feeding systems
- Coval: Vacuum Technology
- Datalogic: Laser Marking Systems, Scanners, Sensors & Safety
- Dukane: Intelligent Assembly Solutions
- EHEDG: European Hygienic Engineering & Design Group
- Roxy Robotics: Robotic Operating Platform
- Moog: Motion Control
- Pickit: Robot vision made easy
- Rollon: Linear Motion Systems
- Schunk: Smart Gripping Solutions
- Sick: Sensor Intelligence
- Siemens: Motion control & plc
- Stäubli Electrical Connectors & Tool Changers
- Troax: Machinehekwerk, veiligheidssystemen
- Vectioneer: Human Centered Engineering
- ZVS Techniek / Zimmer : Quality components for machine builders
