

Sage Accountants Network Boomerang Program – Terms & Conditions

Sage Accountants Network (“SAN”) members are rewarded for client referrals as detailed herein. The tiered referral structure is applicable to all new successful sales.

Referred Client: A Referred Client cannot be a current paid subscriber or trial user for Sage 50cloud Accounting. The Referred Client and the SAN member cannot be the same person (for example, by using a different e-mail address). If a client has one registered company name, yet multiple business names under that name, it counts as one Referred Client.

Referral Offer: Active SAN members must refer clients who are not current Sage customers or trial users of Sage 50cloud in order to be eligible to receive a renewal fee credit of \$100 per Referred Client towards their next year’s SAN membership renewal. A Referred Client will qualify once they have a fully paid Sage 50cloud subscription.

In order to qualify as a Referred Client, the client must become a paid subscriber to Sage 50cloud by September 30, 2020. This offer is not valid for the trial version.

The SAN membership renewal fee credits may not be exchanged for cash or any other credit or prize. You may not bank or save credits for any future renewals beyond the upcoming year.
