*Test the compatibility of the manual wheelchair using the DIP*

**IMPORTANT - TO BE COMPLETED BY THE USER - IMPORTANT**

Wheelchair already equipped with anti-tippers :  yes  no

I want to use my wheelchair equipped with the alber SMOOV One power add-on without an anti-tipper device.  
 I have been informed of the risk of my wheelchair tipping backwards when using the SMOOV One without an anti-tip device and take therefore full responsibility to use my wheelchair with the SMOOV One device without an anti-tipper.
